Location(s) CCHS Band Room and Corner Practice Field

Time: 9 AM-5 PM

Directors: Ryan Davenport and Jami' Fennell

ryan.davenport@gcpsk12.org

jami.fennell@gcpsk12.org

- Physicals must be completed prior to camp. <https://www.chhsband.org/physicals-marching-band/>
- ALL color guard members and marchers are REQUIRED to be at practice for these two weeks. Lots of instruction will be given and they will continue to learn fundamentals, marching techniques, music, and routines that will become part of this year's halftime and competitive show.
- **IF YOUR CHILD HAS TO BE ABSENT ON ANY DAY, YOU MUST HAVE A CONVERSATION WITH MR. DAVENPORT AS SOON AS POSSIBLE.**
- Practice will begin every day promptly at 9:00 am and end at 5:00 pm. Please make plans to have your child picked up on time. The kids will need to bring lunch, a beverage, and a snack every day. Anyone can bring lunch for their child if needed HOWEVER, the kids CAN NOT leave campus to go and get lunch.
- Please make sure your child has a good pair of support tennis shoes to practice in. You should not be able to fold the shoe in half. If you can, this is not enough support for all of the hours they will be on their feet. It's always best to spend a little more for a good shoe and have their feet supported.
- All kids are required to have a 1-gallon water jug. Names need to be written on the jug for quick identification. Please make sure they arrive for practice with the jug already filled up every day.
- It is always a great idea to stay away from carbonated sodas, cheese products, and milk before and during practice. Cheese and milk especially can make for a bad situation when the kids get heated up on the field making them nauseous.
- Please also make sure your child has a good breakfast before practice each day. They need food to provide the fuel and energy. This is another reason why kids get sick and feel like passing out. The temps are going to get hot, so they need to be prepared each day.
- PLEASE, PLEASE, PLEASE have the kids start drinking water now and start a regular fitness routine including walking each day. Practice can be a challenge to those who don't stay hydrated and who are not following a regular fitness routine.
- There will be a volunteer meet and greet that is Mandatory for all parents and volunteers on July 21, 2022, 500PM outside the band room. Following that will be a parent preview at the corner practice field at 630PM.
- **Donations of supplies can be dropped off in the band room.**
